¡Gracias al Photoshop este chico se cuela en las fotos de muchos famosos!

Average Rob se ha hecho viral por su capacidad de manipular las imágenes con Photoshop. El artista ha sido capaz de colarse en las fotos de muchos famosos y el resultado es impresionante.

Su cuenta de Instagram ya tiene de momento más de 35.000 seguidores y no para de augmentar. ¡A nosotros nos encantaría saber usar igual de bien Photoshop!

¡Estas son las divertidas fotos!

Good old times when we were joking about Trump being elected as president one day... Good old times... ???
